

IPI-ConfEx 2006 Detailed Programme

How to Deliver Top Quality Patent Information and Search Services In-house
– Best Practices, Tools and Techniques for Searchers and Managers

The table below provides the Detailed Programme for the International Patent Information Conference & Exposition, IPI-ConfEx 2006 – the conference in Europe that focuses on the issues of most importance to Patent Information Professionals. (All times shown below are approximate and programme is subject to change at any time up to and during the conference).

The conference, workshops and vendor showcase exhibition will be held from **March 5-9** in Athens, Greece. More programme details, along with presentation abstracts and speaker biographies, are posted to the conference website at www.IPI-ConfEx.com. Register now to ensure your place.

Sessions 5 th - 9 th March 2006		
Sunday 5th March 2006, 10:00 – 20:00		
10:00 – 17:45	Optional Vendor Workshops (see below)	OmniViz, Chemical Abstracts Service, Questel.Orbit, PatAnalyst, Minesoft
18:00 – 20:00	Welcome Reception, sponsored by Minesoft ; Exhibits Hall Open	
Monday 6th March 2006, 09:00– 17:00		
09:00 – 09:15	Conference Opening and Introductory Remarks	Ford Khorsandian , IPI Organisation
09:15 – 09:55	Quality In – Quality Out	Minoo Philipp , Scientific Information Manager, Henkel , Germany; President, Patent Documentation Group
09:55 – 10:25	Managing a Patent Information Group in a Global Environment	Donna Kaye Wilson , Senior Manager, Intellectual Property, Global Legal Information Science Team, Pfizer , Corporate Legal Patent Department, US
10:25 – 10:30	Announcements	IPI Organisation
10:30 – 11:00	Coffee Break in Exhibits Hall, sponsored by Chemical Abstracts Service	
11:00 – 11:40	Looking for a Needle in a Sewing Basket – Advantages of Subject Specific Databases Over Uncontrolled Free Text Files	Edlyn Simmons , Section Manager for Patent Information, Intellectual Property and Business Information Services Dept., & Alena F. Chadwick , Senior Information Scientist, Procter & Gamble Company , US
11:40 – 12:00	IPC 8 – Even Whales Give Birth Eventually	Bob Stembridge , Customer Relations Manager, Thomson Scientific , UK
12:00 – 12:15	Patent Analysis: You Have to See It to Believe It – Visual Mining with OmniViz	Philip J. Monroe , Senior Director Technology Applications, OmniViz, Inc. , US
12:15 – 12:30	Announcement of IPI-Award Recipient 2006	IPI-Award International Board of Counselors
12:30 – 13:50	Lunch in the Aphrodite Room, sponsored by Questel·Orbit	

13:50 – 14:10	Classification Searching in PatBase: Techniques Using Combinations of FI/F-Terms, US, ECLA and IPC	Rahman Hyatt , Business Development Director, Minesoft Ltd. , UK, & Christopher Richardson , Patent Searching Analyst, Siemens AG , Germany
14:10 – 14:40	Intelligent Management of Patent Information	Franck Jeannin , Market Manager, Intellectual Property, Jouve , France & Oliver Niese , Project Manager, Empolis GmbH , Germany
14:40 – 15:15	Genomics-Based Intellectual Property Protection in Biotechnology and Searching: DNA Editing and U.S. Patent Litigations Involving Research Tool Coverage	Steve Chappell Mitchell , Biotechnology Search Expert, Technology & Patent Research (TPR) International, Inc. , US
15:15 – 15:45	Coffee Break in Exhibits Hall, sponsored by Fiz-Karlsruhe	
15:45 – 16:00	Discovering the Added Value of Thesauri in Patent Searching	Jan Williams , Manager, Chemical Abstracts Service Content Products , US
16:00 – 16:15	US Published Applications and the Companies to Which They Are (Not) Assigned	Jim Brown , Senior Technical Representative, IFI Patent Intelligence , US
16:15 - 16:45	Patent Searches in Chemistry and Oil Area: Web Patent Databases and Tools Comparison	Didier Bernard , Senior Information Specialist & Nathalie Gautier-Hamel , Head of Department, Information Scientific Centre, Institute Francais du Petrole , France
16:45 – 17:00	Integrating Patents in the R&D Workflow	Phil Mestecky , Director of Business Development, Elsevier Corporate Markets , UK
18:00 – 22:00	Special Cultural Dinner and Entertainment Event; Presentation of IPI-Award	
Tuesday 7th March 2006, 09:00 to 17:05		
09:00 – 09:30	How a Patent Information Department Can Deliver Top Class Service	Gerhard Fischer , Manager, Patent Information Department, Intellectual Property and Licensing, Syngenta , Switzerland
09:30 – 10:00	FamPat Plus: New Content and Effective Search Strategies	David Dickens , Director Patent Business, Questel•Orbit , US
10:00 – 10:05	Announcement	Ford Khorsandian , IPI Organisation
10:05 – 10:35	Recent Developments in the Indexing and Searching of Reactions in Patents	Mark Ede , Principal Information Analyst, GlaxoSmithKline , UK
10:35 – 10:42	MDL Patent Chemistry Database – Chemical Reactions and Substance Data for Scientists	Eva Seip , Senior Product Manager, Elsevier MDL , Germany
10:42 – 11:10	Coffee Break in Exhibits Hall, sponsored by Prous Science	
11:10 – 11:25	STN Implementation of Derwent World Patents Index	Christiane Emmerich , Sales Manager for Industry and IP, FIZ-Karlsruhe , Germany
11:25 – 12:05	Patent Searching and the Uses of Patent Information at IBM	Jeff Forman , Consultant; formerly Manager, Information Services, IBM , US
12:05 – 12:25	Thomson Scientific Solutions: Meeting Business Needs Through an Integrated Approach to IP Information Management	Stuart Dodd , VP Professional Services and Account Management, MicroPatent , US

12:25 – 12:40	Harnessing Leading Information Technologies to Extend the Reach of Patent Information Professionals	Jorge Manrique , Vice President, Sales & Marketing, Prous Science S.A. , Spain
12:40 – 12:47	Involving the Masses – Supplying Users Across the Enterprise with Patent Information	Rupert Mayer , Managing Director, unycom Germany IT Services GmbH, Germany
12:47 – 14:00	Lunch in the Aphrodite Room, sponsored by PatAnalyst	
14:00 – 15:15	Exhibits & Demos in Exhibition Hall; Coffee Break sponsored by IFI Patent Intelligence	
15:15 – 15:45	It's Like Stepping Over from a 4-Cylinder to a 12-Cylinder Car – The Rebuilding of the EPO's Search Engine for EPOQUE	Annemie Nuyts , Director, EPOQUE Applications, European Patent Office
15:45 – 16:15	The Needs of the Corporate Patent Attorney with Respect to Patent Searches – How to Meet and Exceed Expectations	Beat Rauber , European Patent Attorney, F. Hoffmann La-Roche Ltd. , Switzerland
16:15 – 16:45	Every Word has a Meaning: Analyzing U.S. Patent Claims	Michael Fuller , US Patent Attorney, Knobbe Martens Olson & Bear LLP , US
16:45 – 17:05	IPI LegalForum SM : Attorney Question and Answer Panel	Beat Rauber , F. Hoffmann La-Roche Ltd. , and Michael Fuller , Knobbe Martens Olson & Bear LLP
Wednesday 8th March 2006, 09:00 to 17:00		
09:00 – 09:30	Further Comparison of Patent Databases and Search Tools	Henk Tomas , Head of Documentation Section, Intellectual Property Dept., AKZO Nobel , The Netherlands
09:30 – 09:45	Thomson Vision/Strategy in Patent Information	Tim Hamer , SVP, European Development Director, Thomson Scientific , UK
09:45 – 10:15	Tips for Cost Effective and Efficient MMS Searching	Judith Johnson Philipsen , Information Manager, Pfizer , US
10:15 – 10:45	Coffee Break in Exhibits Hall, sponsored by Technology & Patent Research (TPR) International	
10:45 – 11:15	Subject Analysis and Search Strategies: Has the Searcher Become the Bottleneck in the Search Process?	Evert Nijhof , Manager, Corporate IP Search & Literature Group, ASML , The Netherlands
11:15 – 11:35	Searching for Intellectual Property Information in Unusual Places: The Use of Patent and Other IP Sources on Dialog	Ron Kaminecki , Director, Intellectual Property Market Segment, Thomson Dialog , US
11:35 – 12:25	IPI MasterClass SM Presentation: Legal Status – from Theory to Practice Part 1 – Theory	Stephen Adams , Managing Director, Magister Ltd. , UK
12:25 – 13:45	Lunch in the Aphrodite Room, sponsored by Thomson Scientific	
13:45 – 14:45	IPI MasterClass SM Presentation: Legal Status – from Theory to Practice Part 2 – Case Studies	Stephen Adams , Managing Director, Magister Ltd. , UK

14:45 – 15:05	A Window on the Israeli Patent Scene	Shoshana Kessel , Patent Information Specialist, Israel
15:05 – 15:25	Beyond Searching: Unveil Knowledge through Analysis and Visualisation	Nicolas Lalyre , Patent Information Specialist, Syngenta, Ltd. , Switzerland
15:25 – 15:55	Coffee Break in Exhibits Hall, sponsored by OmniViz	
15:55 – 16:10	EPO Vision/Strategy in Patent Information	Alfred Wenzel , European Patent Office
16:10 – 16:25	MIMOSA Version 5	Alfred Wenzel , European Patent Office
16:25 – 16:55	Exerting Influence over the Quality of Patent Searching	Aalt van de Kuilen , Senior Information Specialist, Solvay Pharmaceuticals B.V. , The Netherlands
16:55 – 17:00	Closing Remarks	Ford Khorsandian , IPI Organisation
Thursday 9th March 2006, 10:00 – 12:00		
10:00 – 12:00	Optional Vendor Workshops (see below)	Thomson Scientific

Vendor Workshops 5th & 9th March 2006		
Sunday 5th March 2006, 10:00 to 17:45		
10:00 – 11:15	Using Visual Data Mining for More Effective Patent Analysis	Jeffrey Saffer , President; Philip Monroe , Senior Director Technology Applications; OmniViz, Inc.
11:30 – 12:45	New Developments in Patent Analysis and Visualization from STN	Brian Sweet , Senior Product Manager; Kathy Schmidt , Technical Support Manager; Chemical Abstracts Service
14:00 – 15:15	Update on Questel•Orbit's Patent Offer and Our Implementation of IPC 8	David Dickens , Director, Patent Business, Questel•Orbit
15:30 – 16:45	PatAnalyst Workshop: Search Strategies, Examination Process, Workflows for Patent Professionals	Franck Jeannin , Market Manager IP; Oliver Niese , Head of Professional Services; Jouve and Empolis
17:00 – 17:45	PatBase: Announcing a New Service "PatBase Express" Plus a Round Up of New Search Capabilities	Rahman Hyatt , Business Development Director, Ann Chapman , Director, and Ophir Daniel , Director, Minesoft Ltd. ,
Thursday 9th March 2006, 09:00 to 12:00		
09:00 – 10:15	Competitive Intelligence from Intellectual Property Databases	Ron Kaminecki , Director, Intellectual Property Market Segment, Thomson Scientific
10:15 – 10:45	Coffee Break, sponsored by Thomson Scientific	
10:45 – 12:00	How to take Advantage of Searching Reformed IPC and Other Enhancements in Derwent WPI and Thomson Scientific First Level Patent Data Files	Donald Walter , Pharma-Chem Customer Training Manager; Bob Stembridge , Customer Relationships Manager, Thomson Scientific
