

42ND MEETING OF THE SACEPO WORKING PARTY ON PATENT DOCUMENTATION AND INFORMATION AP 6 – LEGAL INTERACTIVE PLATFORM

KIERAN DONNELLY | BIT BUSINESS PARTNER, ONLINE USER ENGAGEMENT | 13 MAY 2025

THE LEGAL INTERACTIVE PLATFORM IN MYEPO

An AI-based conversational agent that helps users get the most out of the EPO's legal sources

Legal texts

European Patent Convention	Unitary Patent-related provisions
EPC Guidelines	PCT-EPO Guidelines
UP Guidelines	Official Journal of the EPO

Case Law

Case Law of the Boards of Appeal	Decisions of the Boards of Appeal
----------------------------------	-----------------------------------

BEST PRACTICES FOR USING THE LEGAL INTERACTIVE PLATFORM

Learn how to write great prompts

Provide enough context
Reformulate or refine using the chat
Validate the responses
Start a new chat if changing topic

"The more specific, the better"

Avoid some common pitfalls

Using numbers only for references
CAPITALISING without meaning it
Asking questions that are too broad
Going outside the knowledge sources

"Don't give up too quickly"

DISCUSSION AND FEEDBACK

Thank you for your attention.

What opportunities do you see for using generative-AI tools like the Legal Interactive Platform in practice?

Do you see any challenges starting to work with tools like this?
